We can embroider your custom logo or design on most garments in this catalog. Send us your electronic file, camera ready art, or rough sketch. In most cases, there is a one time fee to digitize custom designs - \$10.00 per 1000 stitches.

Embroidery prices are for the stitching only! Add the cost of the item being embroidered for the total price.

Personalize your items by adding individual names for only \$5.00 - and no digitizing fees!

Thread colors are interchangeable!
